

INNOVATIONS IN STEEL

Hi-Tech Steel Services

**Case Study:
Sheet Metal**

HTSS supplies sheet metal organisations nationwide and has extensive experience serving this market. As such, it strives to offer 24/ 48 hour delivery for those 'unexpected' and 'urgent' requirements. Next day delivery on standard sized sheets is a standard service offered by HTSS's Southern branch.

The level of service provided by HTSS speaks for itself, with 98% of sheet metal organisations ranking HTSS's overall performance as 'Excellent'.
